Choose your Hospital Hub from the options provided.

Select Service:

Connect directly with your hospital hub or select the desired service

Our Services

Internal Medicine

- Expert Consultation and Support available

Nurse Navigation

- Facilitate access to specialists and hospital clinics and services
- Help with general system navigation and locate hard-to-find resources
- Nursing Lead Outreach Team (NLOT) collaboration
- Linkages to integrated care pathways
 - MSK Injury Management Pathway

Why Use LTC+?

- If you are unsure about the need for an ED transfer and seek a second opinion
- If you need to consult with a specialist for further investigations or treatment advice
- If you need help with:
 - System Navigation
 - Coordinating care
- Capacity building for Long-Term Care Providers

You can also leave us a message or send an email, and our team will respond within 24 hours. We're committed to supporting your LTC home, ensuring you have seamless access to the services you need.
